EXECUTIVE BOARDROOM

Our Executive Boardroom is designed to encourage discussion and work in a private, comfortable and state-of-the-art setting. The room features executive seating, glass block windows, a private washroom, and complimentary high-speed Internet. Now equipped with an 50" Monopad[®] Video Conferencing Touchscreen System, our clients can present, video conference, annotate, and collaborate on the giant board table with meeting participants in the room and around the world.

This private room is 648 square feet and can accommodate up to 12 guests.

Our Hotel's professional staff is committed to making every event a success!

Please contact the Sales Team for further information and available meeting dates.
